MASTANA 2017

Mastana is a fusion charity show organised by the Cambridge University Hindu Cultural Society. We are proud to say it is the largest Asian cultural event in all of East Anglia, drawing people from around the UK to experience the finest singing, dancing, acting, comedy and fashion that Cambridge has to offer.

This is Mastana's 21th year, and in the past, it has attracted more than 500 people and regularly raises over £5,000. It promises to be a huge success again this year!

As always, 100% of the profit made by Mastana will be donated to our chosen charity:

Bhagini Nivedita Pratishthan Pune

an organisation that seeks to improve the welfare of women and children in India. Their work involves running educational programmes to teach children to learn independently, and also helps women gain a stronger foothold in the community.

Time: 19:00

Date: Sunday 5th March 2017

**Venue: Corn Exchange, 2 Wheeler Street,
Cambridge, CB2 3QB**

It is only with the support of our **valued sponsors** that we are consistently able to raise the funds to contribute significantly to this amazing cause.

Any contribution is massively appreciated and, of course, not without reward; Mastana represents a fantastic way to **increase the awareness of your business** and we offer some competitive sponsorship packages, the details of which may be found on the next page.
